

保健学科看護学専攻課程表

Table with columns for 区分 (Division), 授業科目 (Lecture Subject), 履修年次・単位数 (Enrollment Year/Unit), and 備考 (Remarks). The table is organized into sections for 全学共通科目 (University-wide Common Subjects) and 専攻科目 (Specialized Subjects). It details required and elective courses across four years, including subjects like 人間と文化 (Humanity and Culture), 外国語 (Foreign Language), and various nursing theory and practice courses. Total units required are 129.
